SUPPLEMENT

1. The "Technisches Büro für Windkraftwerke" at Seeweg, Warnemünde, is located at "Haus Hohenzollern" which is the last house at the western end of the street which runs parallel to the beach.

2. This technical bureau is concerned with the construction of turbines for jet fighters and is responsible to Dessau. The German liaison officer is a certain Herr Schimana who travels frequently between Dessau and Warnemünde.

3. Hall No. 8 of the Heinkel Aircraft Works at Marienehe has been left intact, unlike the balance of the factory premises which have been dismantled. Models are being built in this one remaining hall, based on plans produced by the drawing office of the "Technische Büro für Windkraftwerke". Warnemünde.
